Dear Parents and Students,

I would like to extend a very warm welcome to Wilkinson Gardens Elementary. The elementary years are an exciting time when children embark upon new adventures in the world of learning. Each year will provide important transitions and the acquisition of new skills that will enhance each student's ability to apply learning in many ways. Wilkinson Gardens is committed to providing a challenging and rigorous curriculum that helps each student progress at a developmentally appropriate rate. We are also dedicated to providing a safe environment for all students. As the principal of Wilkinson Gardens Elementary School, I believe that it is my responsibility to maintain and to continue to build a supportive and collaborative spirit at our school. Together as a school community, we will build on the traditions of the past and meet the challenges of the future in innovative and exciting ways. The mission of Wilkinson Gardens Elementary School is to give students the tools they need to be active, lifelong learners, and contributing citizens in their community and the world.
