

Welcome Back Stallion family!

I would like to extend a hearty Welcome to new students. We are extremely excited to have each of you with us this year. This new year promised to be filled with golden opportunities for each of students to excel and create ways that we can stampede toward success together! As we embark on this new journey, we pledge to that this year will be a year of engaging, meaningful and rigorous work in our classrooms. This school year, we will build upon and refine our foundation of hard work, dedication and excellence in education. Our vision remains the same....

### **E3: Engage...Educate...Empower**

Not only am I excited to be working with your students this year, I am also looking forward to all of the work we will do **TOGETHER**.

The Stallion staff is looking forward to a very positive and productive year! We want...we need...we value your involvement and support in your child's education. Your active participation is the key to the success of your Stallion(s).

Again, we here at Meadowbrook are excited about the opportunities that lie ahead for our partnership and the educational success of our students. We are a school stampeding towards success with much engagement, enthusiasm and empowerment.

Sincerely,  
*Dr. B. Kyler*  
Principal
