### Parents, We Need Your Support - Let's Partner Together!

*Student Tutoring & Learning Support Services are available*

**Title I, Part A is a federally funded program** under the "Every Student Succeeds Act" (ESSA). The purpose of Title I under the ESSA is to ensure that all children have a fair, equal, and significant opportunity to obtain a highquality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

While the ESSA has many requirements, there is a strong focus throughout the law on parent and family engagement notification and involvement, particularly as it relates to:

- » Ensuring that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents, and administrators can measure progress against common expectations for student academic achievement.
- » Affording parents substantial and meaningful opportunities to participate in the education of their children.

## Mentoring Group

E.Y.W.

*Empowering Young Women*

**MISSION:** We gather a total of 20 young women from grades 9th-12th. Our mission is to empower young women to achieve emotional and academic goals by ensuring they receive the adequate resources from freshman to senior year!

**VISION:** The vision of E.Y.W is to socially, academically and financially prepare the young women of the future. I strive for each young woman to feel empowered and inspired about future dreams and goals while academically excelling and developing self-confidence.
