Our Goals for Student Achievement

District Mission, Vision, and
Goals

Mission: Building a world-class school system through education, collaboration, and innovation.

Vision: RCSS will create a world-class, globally competitive school system where all students will graduate and are college/ career ready.

Goals:

- ◇ Guarantee High Academic Achievement for all
- ◇ Ensure Communication and Collaboration within the Community
- ◇ Provide a safe, orderly, and healthy learning environment

Dr. Amy McClure, Principal
Mrs. LaTasha Goodman, AP
Mrs. Crystal Middleton, AP

School-Parent-Student Compact

A School-Parent-School Compact for Achievement is an agreement that parents, students, and teachers develop together through collaboration and feedback. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

As a student, I agree to:

- Follow all school and class rules.
- Set goals for myself and work hard to achieve them during the school year.
- Study and complete assignments.
- Follow directions, stay focused, and listen to my parents and teachers.
- Utilize material to enhance learning in all content areas.
- Read daily with expression and for understanding.
- Practice math facts daily to increase fluency with addition subtraction, multiplication, and division.
- Be a great decision maker.

Date _____

At Home

As a parent of a student, I agree to:

- Read to and with my child and complete the reading response activities.
- Read and follow provided math methods, resources, and examples aligned to the standards.
- Bring my child(ren) to school on time daily.
- Provide necessary materials needed for school and ensure your child is prepared daily.
- Regularly attend conferences and school functions.
- Track my child's progress.
- Encourage my child to always perform his/her best.
- Be respectful to staff and students.

Date _____

In the Classroom

As a teacher I agree to work with students and their families to support students' success in reading fluency, comprehension, and all mathematical concepts. Some of our key connections will be:

- Communicate with respect and professionalism to parents and students.
- Provide reasonable access to staff and parental resources.
- Provide parents with homework designed to assist in the learning process.
- Use technology to engage learners.
- Guide students in guided reading groups.
- Develop an understanding of all operations, as well as strategies for accurate computation.
- Create relevant lesson plans that allow real world application.
- Provide remediation as needed to ensure student mastery of standards in all content areas.
