Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Sue Reynolds CCRPI score is 57.7%. More information can be found on the school's website: Reynolds.rcboe.org. Sue Reynolds Elementary School has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education for all of our students. We have a School Wide Improvement Plan in place to increase all student achievement, to include social development, academic success, and college and career readiness.

At Sue Reynolds, we take pride in the instruction we provide our students. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Sue Reynolds' success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team, or have questions about how you can better help your child in school, please contact Dr. Amy McClure at (706)855-2540 or mccluam@boe.richmond.k12.ga.us

Thank you for all that you do to support your child's education.

Sincerely,

Dr. Amy McClure, Principal
