

### School Pledge

The school will work with students and their families to support students' success in reading and math. As a school, we pledge to be responsible for:

- Maintaining open communication with student's parents through phone calls, texts, e-mails, or notes to provide feedback on student's progress whether positive or negative.
- Communicating with parents the importance of students attending school daily.
- Encouraging frequent reading of library books to improve reading fluency and comprehension.
- Providing parents with resources that reinforces strategies used in school to assist their children at home.

### Student Pledge

Students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school. As a student, I pledge to

:

- Communicate with my parents about my progress in class.
- Attend school daily and do my best.
- Spend quality time at home studying and reading at least four nights a week.
- Use all materials provided by the school to reinforce strategies learned in the classroom.

### Parents Pledge

Parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list. As a parent, I will be responsible for:

- Maintaining open communication with my child's teacher about his/her school activities, homework, assignment and progress.
- Ensuring my child attends school daily unless he/she is sick.
- Encouraging my child to read at least 15 minutes each night to improve reading skills and promote academic achievement.
- Utilizing resources provided by the school at home-e – web-based and print materials (iReady).
