Ye Olde Book Club Donates Little Library

The Little Free Library is a nonprofit organization based in St. Paul, Minnesota. Their mission is to be a catalyst for building community, inspiring readers, and expanding book access for all through a global network of volunteer-led Little Free Library book-exchange boxes.

The Ye Olde Book Club in Augusta, Georgia has donated this Little Library to GHHS. One of their members also painted the beautiful artwork on our box.

Faculty, staff, and students are invited to visit the media center to take a book and/or share a book.
