

K-8 Promotion Requirements

ELEMENTARY (K-5)

A student shall be promoted when, in the professional judgment of the teacher/s and the principal and other professional school staff, he/she has successfully mastered the identified instructional standards of Georgia Public Schools (K-5) and Richmond County Board of Education.

State Promotion Requirements

- No third grade student shall be promoted to the fourth grade that does not achieve grade level on the state-adopted assessment and meet the local promotion standards and criteria established by The Richmond County Board of Education.*
- No fifth grade student shall be promoted to the sixth grade that does not achieve grade level on the state-adopted assessment and meet the local promotion standards and criteria established by The Richmond County Board of Education.*

Additional Richmond County Promotion Requirements

Kindergarten through 3rd Grades

To meet promotion requirements, a student must master essential standards for Language Arts and essential standards for Mathematics as identified on the Richmond County Board of Education report card.

Grades Fourth and Fifth

In addition to State Promotion Requirements in grade five, students in grades fourth and fifth must:

- a. Obtain a passing grade on the report card in

- Mathematics
