

Blythe

News

From the Principal:

Greetings Blythe Families,

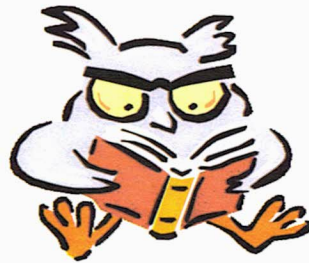

Thank you for your warm welcome. It has been a pleasure meeting all of you. Please make sure you have scheduled a fall conference with your child's teacher.

All students must attend school every day, be on time, and stay all day. If your child has to be absent, please send in a parent or doctor excuse. I expect all students to be on their best behavior at all times, during school and on the bus.

Students are enjoying "Grab and Go Breakfasts". I again ask that you not park at the bus zone, directly in front of the school. If you have school business at any time of the day, park on the grass, or along Church Street, or park in the side lot on the side of the school. Walk to the front door, ring the doorbell, and show your drivers license. Go directly to the main office for assistance. I know it is hard to break old habits, but please do not park along the yellow curb in front of the school as it is our bus zone. The front of the school is for buses and emergency vehicles only.

Many thanks for supporting all our endeavors. I am looking forward to Blythe Fever on April 25, 2020. It is Blythe's 100th Anniversary Celebration! Blythe Elementary will be out in full force to support our community. If I can help your family in any way, let me know. Call the school at (706)592-4090.

Sincerely,
Mrs. Cheryl Fry

School Supply Fairies

We are still in need of headphones and baby wipes!

**It's Spooky to Be Hungry
Canned Food Drive
Oct. 7—Nov. 1
(please bring in your cans)**

First in Math

This program gives our students the practice opportunities needed in order to master math skills. Students in grades K – 5 should use the program regularly at home or anywhere there is an internet connection. The site is www.firstinmath.com. If you don't have your child's First in Math user name and password, please send a note to his/her teacher or Mrs. Hope Thomas, Instructional Coach.
