Transportation Changes

Please remember that changes in transportation should be submitted to the homeroom teacher in writing. We are not allowed to change a child's transportation plans over the phone. As a reminder no dismissals are allowed after 3:50 in the afternoon to ensure that we have a safe and orderly dismissal times. Early pick ups are considered tardies. We ask that you limit early dismissals to only times when it is absolutely necessary.

School Council

Parents interested in serving on our school council are invited to attend the fall school council training being held on August 30th at 4:45 at the Richmond County Board of Education on Broad St. Please come learn what it means to serve on school council and take part in this advisory board for our school. If you have any questions, please contact Dr. Singh.

Progress Reports

Progress reports will be sent home on Thursday Sept 1. Please remember that this is a snap shot of where your child currently is in regards to their standards for the nine weeks. We strongly encourage you to log into the Infinite Campus Parent Portal on a regular basis so that you can monitor your child's progress through out the grading period. If you need assistance regarding Infinite Campus, or you would like to set up a parent teacher conference, please contact Mrs. Hughes. Press 0 when you call the school.

PTA Information

Thank you for attending the first PTA meeting. We discussed the budget and upcoming events. We are excited about the new ways our dads can volunteer. Please contact PTA for membership, t-shirts, and volunteer opportunities.
