Week of September 5, 2016

Cancellation of School

We know many of our students enjoyed the unexpected break Friday. It also further emphasized the importance of being able to contact parents quickly and effectively. We used several methods to contact parents: phone calls to every number in Infinite Campus, emails to every email in Infinite Campus, a text to all parents signed up for Eagle Remind, we immediately updated the school website, we posted the information to the PTA Facebook page, teachers sent emails to their distribution list, the county updated their website, and it was on all news networks and the radio. If you did not receive notification please call to make sure your information is correct in Infinite Campus. Also, sign up for the Remind text.

Receive Important Text

Freedom Park now uses Remind to inform parents of important information and reminders. It will also be used to send emergency text. In addition, if you have a student who rides the bus, sign up for the bus reminders. Please visit the school website to see how to sign up or use the information below.
