

EAGLES NEWS

Week of March 5, 2017

Is Your Student on Grade Level?

After each benchmark, students who are not on grade level, receive interventions and are progressed monitored every two weeks. Please contact your student's teacher to discuss how your child is growing.

Georgia Milestones

Our students have worked hard all year. The Georgia Milestones Assessment is coming soon. Please check your students folders for information concerning benchmark scores, testing dates, and ways you can help.

Emergency/Information Text

Freedom Park now uses Remind to inform parents of important information and reminders. It will also be used to send emergency text. In addition, if you have a student who rides the bus, sign up for the bus reminders. Please visit the school website to see how to sign up or use the information below.

Women in History Month

Our history is our strength. March is Women in History Month. Speak with your student about achievements of women in all facets of life.

WHAT'S HAPPENING THIS WEEK

Music in our Schools

March has been officially designated by the National Association for Music Education for the observance of Music In Our Schools Month.

FPS Applications

Please visit our school website to apply for zone exemptions for FPS. If you live off post, and you are active duty, retired military, or a DOD civilian you may qualify. Please contact the school for more information.

PreK Applications

This is the last week to bring required documentation. You may turn the information in at the Tobacco Rd. or Central Office location. The PreK Lottery will be held March 11th.

Please do your best to mitigate absences. **We are having trouble in this area.** Lets make attendance a priority at FPS. Missing just one day can seriously disrupt your students learning.
