

EAGLES NEWS

Week of November 13, 2016

iReady

Ask your student's teacher how you can help your student using iReady. This program is designed to provide your student individualized instruction to close achievement gaps or extend learning. The district has provided this program for every student in RCSS.

Science Fair

The science fair is coming soon. The deadline for the district is December 8th. However, please speak with your child's teacher about the deadlines for the classroom.

Spelling Bee

Please be aware the elementary and middle school Spelling Bee will be coming soon. Please speak with your teacher about dates and the best way to practice.

Emergency/Information Text

Freedom Park now uses Remind to inform parents of important information and reminders. It will also be used to send emergency text. In addition, if you have a student who rides the bus, sign up for the bus reminders. Please visit the school website to see how to sign up or use the information below.

American Education Week

Take a moment to let your teachers and staff, including substitute teachers, know how important their contribution is to the education of children in our community.

WHAT'S HAPPENING THIS WEEK

National Diabetes Month

November is National Diabetes Month. Check the school website and the PTA Facebook page for upcoming events.

New PreK Class

We heard you! We have worked with the Richmond County School district to offer an additional PreK class to serve the families of our community. The class will start November 28th

Barnes and Nobel Book Fair

Congratulations to Ms. Railey and the Freedom Park talent show winners. They had a successful book fair at Barnes and Nobel. There was also a Star Trek trivia crew and a local author. Dr. Singh did a read aloud. We had a blast.

Please do your best to mitigate absences. Lets make attendance a priority at FPS. Missing just one day can seriously disrupt your students learning.
