Is Your Student on Grade Level?

After each benchmark, students who are not on grade level, receive interventions and are progressed monitored every two weeks. Please contact your student's teacher to discuss how your child is growing.

Emergency/Information Text

Freedom Park now uses Remind to inform parents of important information and reminders. It will also be used to send emergency text. In addition, if you have a student who rides the bus, sign up for the bus reminders. Please visit the school website to see how to sign up or use the information below.

Early Release Days

Please be reminded that March 22nd and 23rd are early release days. Please speak with your student's teacher to schedule a parent conference.

WHAT'S HAPPENING THIS WEEK

Spirit Day

Thursday, March 16th is Spirit Day for Freedom Park @ Chick-fila-A. Please contact the PTA for details!

FPS Applications

Please visit our school website to apply for zone exemptions for FPS. If you live off post, and you are active duty, retired military, or a DOD civilian you may qualify. Please contact the school for more information.

Parent Survey

Please visit our website to fill out the parent survey. We value your opinion. What are some things we are doing great? What are some opportunities for improvement?

Please do your best to mitigate absences. **We are having trouble in this area.** Let's make attendance a priority at FPS. Missing just one day can seriously disrupt your students learning.
