

Agents

1. Agents are people who do things.
2. Agents are formed from verbs by adding -er, -or, -ar.
3. Adding -er, -or, and -ar changes the verbs to nouns.

dreamer survivoror beggarar

4. Sometimes the spelling changes when endings are added to base words

Double the consonant → **jog** + g + er = jogger

Drop the e → **write** - e + er = writer
