Important Information:

The 2nd grade classes are wanting to purchase a butterfly box so that we can watch the transformation of caterpillars to butterflies. This will be part of our science unit on living things in March and April. This box will also include Sun Flowers to grow in the classroom and each child to get to bring a flower home. We need every child to donate \$2 so we can purchase a box for our classroom. Students can start bringing in money as soon as you want to send it in. THANK YOU!

HEADS UP— We have scheduled our Strawberry Patch field trip for April. The cost will be \$15 per child. Some of you pre paid at the beginning of the year with the rest of the field trip money. We will start asking for money mid February. It's an amazing trip and one that second grade is known for going on! :-)
