| mermaid | payment | scale | skate |

**** IREADY ****

I would like for students to start working on Iready at home for additional support. I'm asking for at least 20 minutes a week. That should allow them to complete 2 Reading and 2 math a week.

Important Information:

*We are working on a Random Act of Kindness Calendar in class. Each day I'm challenging the students to perform one random act of kindness until winter break. At Walker we pride ourselves on our positive character traits and during the month of December I would like the students to take part and show how they represent walker in and out of the classroom. I will upload the calendar to my website :-)
