

## **Richmond County School Wellness Committee**

The Wellness Committee is responsible for overseeing the implementation of the Wellness Program and compliance with the Wellness Policy, including the oversight of the development of goals of the program and procedures for evaluation and measurement of the program. The Committee may consist of school system and community representatives. Committee members are asked to make a commitment to serve on the committee for at least two years. If you are interested in serving as a member of the committee, please fill out the Wellness Committee Nomination Form located on the Richmond County School Nutrition webpage under the Wellness Policy link. Email completed nomination forms to Arielle Weekley at [weeklar@boe.richmond.k12.ga.us](mailto:weeklar@boe.richmond.k12.ga.us).
