

Virtual Parent University Announced

Georgia Network of Educational and Therapeutic Supports (GNETS) in collaboration with Georgia Department of Education (GaDOE) would like to introduce a special Virtual Parent University. This Virtual Parent University offers informative videos on four topics to help parents around the state of Georgia who seek information and would like to have a better understanding of resources available around the state of Georgia for their children. We welcome all parents to watch as many of the videos that meet your needs. Topics for these five videos include, What is GNETS?, How does PBIS work?, What can DBHDD do for my family, and Is my teen's behavior normal? Follow the link to find the Virtual Parent University informational videos.
