

RCTCM High School Psychology Summer Work Project Directions/ Movie Review Template

Directions- A list of movies have been provided. You are to choose 2 movies from the list to watch. After viewing, you must complete a TYPED and proofed (for spelling and grammatical errors) essay of the Psychology related movie(s). Your essay must include an Introduction, Summary, Analysis, and Conclusion. Each paragraph should contain 5 sentences each. Each essay is worth 100 pts and will count as a quiz grade.

- Introduction- State the name of the movie, the actors, characters, and the Psychology, topic covered, ex: Munchausen's by Proxy, Schizophrenia, Antisocial behavior, Obsessive Compulsive Disorder, etc....
Outline the main idea of the movie (25 pts)

- Summary- Briefly outline the main element of the movie
Should involve who, what, where, when, and why
The movie is about, the setting is, the main characters are, the theme..., The movie argues that... (25 pts)

- Analysis- Critically state your thoughts on the psychological disorders depicted in the movie
Explain your thoughts w/ specific examples from the book (25 pts)

- Conclusion- Summarize your main ideas (25 Pts)
