

Hello & Welcome to RCTCM!

I am Ms. Tyler and I will be your **6th Grade Social Studies** teacher for the 2019-2020 School Year. Below are some things that will prove very helpful for next year.

1. If your child does not have an email, please go ahead and make one for them. They have school accounts, but they are pretty limited to what they can do with them. Please make sure they know how to access their email, before the first day of school.
2. Next, go to Remind.com and sign up for an account there too. On the first day of school, I will give out Remind codes to every class.
3. On day one, students will receive [Schoolology](https://Schoolology.com) access codes. They will use the email from step one to sign up and submit their summer assignment.

This assignment is going to show me your research skills and your ability to read from multiple sources and explain your understanding. Please do not copy and paste this assignment. I really want to know what **YOU** think about these aspects of Social Studies as these will be the concepts we explore all year.
