What is Title I?

Title I Part A is a federally funded program under every Student Succeeds Act, commonly referred to as ESSA which gave states additional authority and flexibility over their education system wholesale flexibility was not granted and statutory requirements vary in specificity from issue-to-issue.

While the ESSA has many requirements, there is a strong focus throughout the law on parental notification and involvement, particularly as it relates to:

- *Ensuring that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents, and administrators can measure progress against common expectations for student academic achievement.*
- *Affording parents substantial and meaningful opportunities to participate in the education of their children.*

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Meadowbrook Elementary will provide opportunities to improve family engagement and to support student learning. Meadowbrook Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Meadowbrook Elementary will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

We distribute an annual survey on paper and online to ask parents for their suggestions on the plan and use of Title I funds for parental involvement. The survey can be accessed via the school website; Meadowbrook.rcboe.org Parents can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Meadowbrook Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

The plan is posted to the school website and distributed at the Annual Title I meeting. Parents can also retrieve a copy in the Parent Resource Center and in the Main Office.
