

Welcome Back! We are incredibly excited to begin a new year here at Meadowbrook! This promises to be a year filled with golden opportunities for all of our students as we strive to find ways that we can be better than we were before! My name is Dr. Bettina Kyler and I am extremely excited to introduce myself as your new principal. I embark on this new journey with a pledge to you, our students and parents, that this will be a year of engaging, meaningful and rigorous work in our classrooms. During the 2017-18 school year, we will continue to build upon and refine our foundation of hard work, dedication, and excellence in education. Our vision remains...

***E3: Engage . . . Educate . . . Empower***

Not only am I excited to be working with your students this year, but I am looking forward to the work we will do **TOGETHER**.

We look forward to a very positive and productive year! We extend a, yearlong invitation to our families to join us at school activities and events whenever possible. We want . . . we need . . . and we value your involvement and support in your child's education. Your active participation is key to the success of your Stallion (s).

The home/school connection here at Meadowbrook is vital and plays an integral role in each student's success. We encourage you to contact us if/when the need arises, and to *stay in the know* about your child's studies, assignments, assessments, and school activities, as well as other events.

Again, I am so excited about the opportunity to be a part of The Meadowbrook family and our wonderful learning community . . . a place stampeding toward success with much *engagment*. . *enthusiasm* . . . and *empowerment*!

Sincerely,

*Dr. Bettina Kyler*
