2017-2018 School Profile and Special Programs

School and Community

Cross Creek High School is a suburban school which serves grades 9-12 in the Richmond County School System (RCSS). Cross Creek opened in 1999 to relieve overcrowding at nearby Hephzibah High School and Butler High School, who are archivals. The school is in its seventeenth year of existence and has established itself in the community as one of the top schools in the area. The school has a reputation for having one of the safest learning environments in the system as well as top academic and athletic programs.

Cross Creek is located in Augusta, Georgia which is the second largest and oldest city in Georgia. Augusta is best known as the Garden City and home of the Masters Golf Tournament. RCSS operates 58 schools and serves over 30,000 students. RCSS has an International Baccalaureate Program, top-rated magnet schools and programs, specialized curricula such as STEM (Science, Technology, Engineering and Mathematics) and arts infusion, and technology rich classrooms.

Class Rank and Grade Point Average

An official class rank is compiled for each grade that is computed at the end of the year. Averages are carried out to three decimal places and final averages are not rounded. Grades for the class of 2016 and 2017 are unweighted. Student's grade point average (GPA) will be based on quality points beginning with the graduating class of 2018. Regular high school courses will be on a 4.0 scale and AP, IB and College/University Courses on a 5.0 scale awarded for each grade earned. High school student transcripts include the GPA, class rank and numerical average.

General Information

Student learning is the main priority and is the primary focus of all decisions impacting our school. Each student is a valued individual who learns in different ways and should be provided with a variety of instructional approaches and assessments to support his/her learning.

Special Programs

- CSRA Invitational (NJROTC) 3rd place

College and Career Ready Performance Index (CCRPI)

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in three main categories, for a total of 100 possible points.
