Building a world-class school system through education, collaboration and innovation.

Our Beliefs:

1. Every person has the right to a quality education.
2. Education is the shared responsibility of the individual, home, school, and community.
3. Every person can learn.
4. Respect and acceptance are essential for learning and personal development.
5. A safe, healthy and orderly environment is essential to learning.
6. Communication is the key to understanding among people.
7. Excellence cannot be compromised.
