General Information

At Wheelless Road, our classroom instruction is the pulse of the issues and ideas that are shaping our student's learning environments, from the latest technologies to new methods for instruction. We pride ourselves to providing our students with a solid and purposeful education that integrates learning across the curriculum. Special programs include the Gifted Program for academically advanced students, a Music and Fine Arts Program, and an afterschool Dance Team.

College and Career Ready Performance Index (CCRPI)

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in three main categories, for a total of 100 possible points.
