We have GOAL champions this year to address their specific goal and actions throughout the month. 2. We have incorporated another layer to the work. I will meet face to face with the goal champions once a month and for some throughout the month to address the implementation measurable goal and the student measurable goal. 3. We have an ATSI team to address the SWD population. 4. We will have data this year to address attendance and discipline. 5. Throughout the year we will often reflect on addressing the Self-Assessment indicators that many of you participated in this past May. We focused on the following areas. 1.Coherent Instruction, 2. Effective Leadership,3. Professional Capacity, 4. Student Learning Environment and 5. Family and Community Engagement (we have champions for these areas as well). The next review will take place in the Spring. 6. At each monthly meeting, we will have data to address the implementation measurable goals as well as the student progress goals. 7. Per the MOA, the LEA will ensure required data and reports (including subgroup performance) are shared with the DES five days prior to the monthly district CIT meetings. 8. Question: Should we have two monthly District CIT meetings, CSI and ATSI/TSI? Or are you okay with extending the time to incorporate both? The team decided to extend the meeting time to incorporate both ATSI and CSI.
