## Cell Phone Policy

The official policy for Richmond County Schools is that use of personal electronic devices is not permitted during the school day. Cell phones, headphones, or iPads must remain completely out of sight for the entire class with no exceptions.

If you are seen with a device, it will be taken by an administrator and held in the front office.

See the official county cell phone policy for details.

## Late Work

If your work is late because of sickness or absence, you have the same number of days to turn it in as days you missed (Missed 2 days? You have 2 days to turn it in).

Otherwise, late work will receive a 5-point penalty for each day it hasn't been submitted--to a maximum of 25 points off.

Most assignments will not be accepted more than 5 days late.

## Expectations

Come to class with your laptop *charged* and ready to use.

Use the bathroom in-between classes rather than ask to go during class.

Do not bring food or drinks into the classroom. We don't want ants and water rings everywhere!

Work hard while you are *in* the classroom and there won't be any work to do at *home*.

## Learning Supports

**Ouch! I failed that last assignment. Can I take it again?**

You can reassess any Major Assignment! Come grab a *Request to Reassess* form from Mr. Hubbard, and we'll come up with a time for you try that skill again.

**Can you tutor me one-on-one?**

I have reserved Thursdays after school (3:20-4:00) for tutoring. I have carline duty, but I will skip it if I know you are coming!
