## The American Revolution Timeline Project

1. Open the American Revolution article in Galileo Britannica School Elementary.
2. Review the text for dates and information about tensions preceding the American Revolution.
3. Record information about each event on the graphic organizer.

4. Use the online Timeline Maker tool to create a timeline of events. The timeline will include accurate date(s), titles of the events, sentence(s) about each event, and images.

5. Projects will be posted on ClassDojo.
