

Who's the Best Performer?

Tell Me Why!

3rd - 5th grades

Weeks 1-3

- Choose your favorite musician, performer or group...yes anyone of your choice
- Create a timeline of their life and important events (at least 5)
- Either download photos or draw them yourself, be creative
- Write a persuasive argument on why I should give them a try. Be sure to talk about why you like them and why others might not like them.

Remember how we have been discussing Vivaldi and facts about his life and where he was from. Make sure you add those facts into your timeline. I look forward to learning more about what you enjoy listening to outside of school.
