Dear Parents,

Reading is essential for our students to grow and learn. Providing a variety of titles is necessary to foster a student's love of reading. Some of the books in our collection contain mature content, some with graphic profanity and violence. Due to their nature, these books are labeled (Parental Permission Only) and isolated, requiring parental/custodial permission for students to read them. Your student is requesting to read the title/series \_\_\_\_\_.

By signing this form you are giving him/her your permission to check out one of these PARENTAL PERMISSION ONLY books.

Thank you for your support.

Sincerely,

Laura D. West, MLIS, Ed.S.
