

First Grade All Subject Choice Board

Directions: Pick 8 Choices for the week. Print or write any answers.

This will be completed with 20 minutes of reading each day.

Grab a bag of colored candy such as skittles or M&M's and make a graph of the number of candies in each color in the bag. Bring the graph to school when we return.

Log into iReady and Complete 30 minutes of math lessons with at least 80% accuracy.

Write or type a short story about the life cycle of a plant from seed to flower. Remember to include pictures and details with 5 or more sentences. Bring it to school to share.

Watch Adding and subtracting Tens on brainpopjr.com take the easy quiz. Print your score or write your answers on a sheet of paper. Bring the score sheet back to school.

Log onto National Geographic. Click on EXPLORE, then click the COUNTRIES tab. Pick a country to read about. Use a graphic organizer to tell facts about the country.

Log into First in Math through Launchpad and work for 30 minutes.

KIDS.NATIONALGEOGRAPHIC.COM

Watch a video on Brainpopjr.com on light and make shadow puppets. Write a narrative about how we see shadows.

Make flash cards with the missed sight words from the sight word checklist that you need. (pre-primer, primer, 1st grade or 2nd grade)

Log into iReady and complete 30 minutes of Reading lessons with at least 80% accuracy.
