Miss Ta'kieviah Cooper,

The honor of Salutatorian is one of the most distinguished honors a student can receive during their high school career. It not only indicates that you are an excellent student, but you are an achiever. You wake up every day and give it the very best that you have to give. That is what separates you from the rest. Every day is a new day, and it is full of challenges that are waiting and ready for you to stare them down and defeat them.

Always remember who you are! As one of the top Eagles who have matriculated at T. W. Josey Comprehensive High School, you possess leadership qualities. You have always been out front as a leader for your peers from the classroom to the cheering squad on Friday nights during the football game and to the community that you live in. You have been that leader.

You are the one who turns dreams into reality. Never forget that it will take hard work, determination, and long nights over the next several years. But in the end, you know that you have prepared for it and nothing will stand between you and your goal.

Miss Cooper, you have exemplified excellence inside of the school and outside of the school. On behalf of the Faculty and Staff of T.W. Josey Comprehensive High School, we are proud of you and your accomplishments and we eagerly anticipate and await for you to soar to higher heights and to deeper depths.

Sincerely,

Dr. Chauncey A. Scott Principal
