## A Note From Mrs. Yeldell

I am so excited to meet and get to know my new students this month! We are jumping right into inquiry this month looking at "Who We Are"!

## A Peek At What We Are Learning

### Inquiry

In Inquiry we are focusing on the central idea of "who we are, and what we share, has impact!" We will be learning about identity, the civil rights movement, and how our class is going to look this year! Be sure to ask your student what they are learning each day as we dig in to identity!

### Math

We are spending the first two weeks in math reviewing our fourth grade skills and practicing our mental math skills! Towards the end of September we will begin looking at expanding our place value understanding to the decimals!

## Spanish At Home!
