New Topic 1	Renaming the road by the stadium John Starr	Dr. Scott read a letter sent from the Alumni Foundation that stated the road behind the school should be named in honor of John Starr. The School Council Members gave a unanimous vote rename the street behind the stadium John Starr Way.	Dr. Scott will take this decision to the Area Superintendent, Scott McClintock, for approval and further direction.
New Topic 2	Student Attendance	What is the Student Attendance Protocol for student changing their learning preference to wither go to Virtual Learning or Face to Face Instruction? Mr. Scott elaborated and said that the time has passed for students come back to school for Face to Face Students. This is due to scheduling conflicts and practicing the CDC recommending guidelines. However, if students want to go to virtual instruction then adjustments can be made.	What can we do to provide incentives to motivate students to attend school? We need more parent involvement.
