Richmond County School System Encourages Families to Update Information

(AUGUSTA, GEORGIA) – Richmond County School System (RCSS) reminds families with students returning to school for the 2021-2022 school year to review and update address and contact information in Parent Portal.

“Current information allows our schools to ensure parents are able to receive the most up to date information,” said Dr. LaMonica Hillman, Assistant Superintendent of Support Services. “As schools prepare to receive students, these updates also help us modify and finalize plans so our students have all the support they need for a successful school year.”

The school system and schools use the information in Parent Portal to send email, phone call and text messages to families. Information from the Parent Portal is used to communicate updates in student and school status and provide emergency notification.

Parents are encouraged to visit the Parents Tab on rcboe.org and click the Parent Portal link to review and update their information. Registration for new students is currently available online using the Registration Central link.

For additional sources of Back to School Updates and information about the 2021-2022 School Year, visit the RCSS website (rcboe.org) and follow RCSS on [Facebook](#), [Instagram](#), [LinkedIn](#) and [Twitter](#).
