Plan Revised July 7, 2023

What is Title I?

Glenn Hills Elementary is a Title I school as part of Every Student Succeeds Act (ESSA). Title I supports State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family

engagement. All Title I schools must jointly develop with parents and family a written parent and

School Plan for Shared Student Achievement

What is it?

This plan describes how Glenn Hills Elementary will provide chances to improve family engagement to support student learning. Glenn Hills Elementary values the contributions and involvement of parents/family in establishing an equal partnership for the common goal of Improving student achievement. This plan describes the different ways that Glenn Hills Elementary will support family engagement. It also entails how parents can help plan/participate in activities and events to promote student learning at school and at home.

How is it revised?

Glenn Hills Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the school wide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. This plan is on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year including our annual Community Cares event.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to participate in the opportunities described in this plan. Glenn Hills Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook and given to all students. As a reminder, we will email the plan to all parents in September before the scheduled Open House event. The plan is on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center.

School-Parent Compacts

As part of this plan, Glenn Hills Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. Parent and Family Engagement

Glenn Hills Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Glenn Hills Elementary is committed to helping parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

- ✓ Communicate with all families and the community on a regular basis regarding school wide events and activities, through phone messages, social media, and flyers.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
