Principal's Note

Hello Tigers,

We made it to our first progress report! Ask your teacher questions or concerns before the next grading period. A Progress Report monitors a student's academic and behavioral learning. The goal is for each student to master content on their grade level or above grade level. Terrace Manor Elementary School provides each student intervention time to focus on areas needing improvement. Upcoming tutoring services will be provided during school and after school. If you have questions, contact Terrace Manor Elementary School at (706) 796-4910.

Sincerely,

Carl Robinson III, Ed.S.

RCSS Student Technology Agreement

Everyone is encouraged to read and sign the RCSS Student Technology Loan Agreement that was sent to you via your child's folder. The Richmond County School System's vision is to provide an equitable education for all students to prepare them for life beyond the classroom. We are loaning out laptops/tablets for students to use in the classroom and if possible, at home as well. After reading the terms and agreement, all students and parents/guardians need to fill out the form, sign it, and bring it back to their homeroom teacher.

September Classroom Guidance Lesson

" **Words Can Hurt!**" September classroom guidance will be anti-bullying lessons – "Identifying a Bully", "Identifying Bullying", and "How to Stop Bullying in our School".

Fire Prevention Week (October 9 - 15)

Did you know this year marks the 100th anniversary of Fire Prevention Week? In 1922, the National Fire Protection Association (NFPA)

named the second week of October Fire Prevention Week in commemoration of the Great Chicago Fire in 1871. Today, we celebrate Fire

Prevention Week and Month by raising fire safety awareness and educating families, students and communities across the United States. This year's Fire Prevention Week campaign is "**Fire won't wait. Plan your escape.**" If a fire breaks out in your home, you may have only a few minutes to get out safely once the smoke alarm sounds. Everyone needs to know what to do and where to go if there is a fire. **Plan Ahead!**

Homework Quick Tips

1. Make sure your child has a quiet, well-lit place to do homework.
2. Make sure the materials your child needs, such as, paper, pencils, and a dictionary, etc. are available.
3. When your child asks for help, provide guidance, not answers.
4. Be positive about homework. Tell your child how important school is. The attitude you express about homework will be the attitude your child acquires.
5. Help your child with home management. Establish a set time each day for doing homework. Don't let your child leave homework until just before bedtime
