"IB Spotlight: Inspirational Figures embodying Learner Profile Traits"

Satoshi Tajiri, the visionary creator behind the globally beloved Pokémon franchise, emerged as a pioneer in the world of video games. Born in Tokyo, Japan, in 1965, Tajiri's childhood passion for collecting insects, coupled with his fascination with gaming, laid the groundwork for his iconic creation. Diagnosed with autism, Tajiri's unique perspective and unwavering dedication fueled his quest to develop Pokémon, a phenomenon that transcended entertainment, capturing the hearts of millions worldwide. Through his ingenuity and perseverance, Tajiri transformed his childhood dreams into a cultural phenomenon, leaving an indelible mark on the gaming industry and inspiring generations of fans.

Global Citizenship Empowering Students to Make a Positive Impact

Global citizens make positive change in our interconnected world. Through the IB PYP, we equip students with the knowledge, skills, and values to engage meaningfully with local and global issues. From exploring sustainability challenges to promoting social justice initiatives, our students are encouraged to take action and make a difference in their communities and beyond. By fostering a sense of responsibility and compassion, we're shaping future leaders who are committed to building a more just, peaceful, and sustainable world.
