VOLUNTEER POSITIONS:

Receptionist: This is one of the primary volunteer opportunities. Volunteers help to staff the Front Desk serving as support in the operation of the House. This may require heavy phone contact, greeting, processing of merchandise and monetary donations. Basic computer and customer service skills are very important. Volunteers must be 16 years of age to help with this volunteer position.

House Warmer: House Warmer volunteers assist families throughout their stay, beginning at check-in when they give families a tour and help them acclimate. Family Service volunteers will play a key role in House operations, helping to restock areas throughout the House, keeping public areas well organized, preparing guest rooms for new guests, and helping with daily chores in the kitchen. These volunteers will often be the first and most impactful checkpoint for families. Volunteers must be 16 years of age to help with this volunteer position.

Happy Wheels Cart: Families at the hospital, including siblings, often wait long hours or even days without being able to leave the hospital or even their child's bedside. Designed to support families who have children healing in the hospital, the Happy Wheels hospitality cart provides a bit of comfort as it travels the hospital hallways. Volunteers navigate the hospitality cart through the Children's Hospital every Monday from 9am to 12pm bringing parents a hot beverage and snack while keeping the little ones entertained with books, fun activities, and toys. Besides the immediate needs these small tokens can meet, they provide simple reminders to the families that RMHC supports them during a challenging time.

Events: One of the main ways we are able to provide families a home away from home while their child is seeking medical treatment is through fundraising. We have multiple events throughout the year to raise money. These events are always a lot of fun whether you are a participant or volunteer. We are so grateful to have volunteers help at these events because without their help it would not be possible! If you think you are interested in helping with events let us know on your volunteer application and when we have an upcoming event, we will let you know more details and how we might need help with it. We also have the annual events listed online.

Please send application to Karleigh King, Volunteer and Donor Relations Coordinator, kking@rmhcaugusta.org.
