

## Technology Resources for Parents and Families

Dear Parents and Families,

Below you will find various technology resources provided for you and your child by Richmond County School System. Your child has several of these resources available through their Launchpad. If you have any questions or would like further explanation or training on these resources, please contact the school. **Your child's login information for launchpad is available from your child's teacher.** Thank you!

Resource	What does it look like on Launchpad?	Description of Resource
First in Math		<b>First In Math features hundreds of engaging math games designed to strengthen fact fluency, automaticity, computational thinking and other critical skills.</b> Whether students are working on addition or algebra, built-in practice GOALS encourage achievement and keep them energized to sustain accelerated effort over time.
SeeSaw		Seesaw is a platform for student engagement. Teachers can empower students to create, reflect, share, and collaborate. Students “show what they know” using photos, videos, drawings, text, PDFs, and links. It’s simple to get student work in one place and share with families, and nothing is shared without teacher approval.
MyON		myON is a personalized literacy program that provides access to the largest integrated collection of digital books with reading supports, customized to a student’s interest and reading abilities.
Flocabulary		Flocabulary is a learning program for all grades that uses educational hip-hop music to engage students and increase achievement across the curriculum. Teachers at 20,000 schools use Flocabulary’s standards-based videos, instructional activities and student creativity tools to supplement instruction and develop core literacy skills.
iReady		i-Ready is an online program for reading and/or mathematics that will help your student’s teacher(s) determine your student’s needs, personalize their learning, and monitor progress throughout the school year. i-Ready allows your teacher(s) to meet your student exactly where they are and provides data to increase your student’s learning gains. i-Ready consists of two parts: Diagnostic and Personalized Instruction.

Nearpod		Nearpod is tool that allows you to create interactive multimedia presentations that can be shared to a class on their individual devices. The teacher controls the pace of the lesson so that students receive content and engage with interactive activities as a whole group.
Canvas		Canvas (especially for the upper grades) is used to assign students work, discussions, quizzes, or tests. Canvas is a learning management system.
Office 365		Office 365 is where you can find Microsoft Word, Email, Power Points, Teams, and much more! Use this app for projects or to connect with other students or teachers.
Brain Pop		BrainPop is a group of educational websites with over 1,000 short animated movies for students in grades K-12, together with quizzes and related materials, covering the subjects of science, social studies, English, math, engineering and technology, health, arts and music. <b>(Mainly for upper elementary school)</b>
Brain Pop Jr.		BrainPop, Jr is a group of educational websites with over 1,000 short animated movies for students in grades K-12, together with quizzes and related materials, covering the subjects of science, social studies, English, math, engineering and technology, health, arts and music. <b>(Mainly for lower elementary school)</b>
Benchmark Universe		Sign-in to have access to books and other learning resources.
Infinite Campus (student)		In Infinite Campus, students can view their grades, account information (usernames and passwords), attendance, and much more!
Discovery Education		Login to Discovery Education to find short clips and full videos in all subjects about specific topics. Your child's teacher is using Discovery Education in the classroom.
FEV Tutor		Our student-centric model allows students to work with their preferred tutor or request tutors on-demand to address immediate learning needs. Tutors are highly qualified and SEL sensitive. <b>Parents:</b> FEV Tutor has a designated team to close the loop on parent communication efforts. Families are aware of upcoming sessions, changes in a student's program, and student engagement levels and progress.
