2016 - 2017

**Art 2, 4-6 and AP Supply List**

Dear Students & Families:

We have decided to reduce the required art supplies for this school year. A greater emphasis will be placed on daily drawings and sketchbook assignments.

**Supplies are due in class by Monday, August 8th**

1. \*\*\*\*Please have TWO (2) SKETCH PADS
  - a. Classroom Sketchbook: 8"x10" or larger **Hardbound preferred**
  - b. Travel Sketchbook: not smaller than 5"x7" to carry with you at all times  
\*Mixed media sketchbooks are also a very good option.
2. 10 or more number 2 pencils. **Having a pencil is mandatory every day**
3. ART PORTFOLIO: **Use yours from last year. Please keep them at home. You will be asked to bring them in December to place your work in for your semester critique/exam.**
4. One round number 10 Taklon brush (synthetic). **You are required to have this 1 brush.** Please feel free to buy more in various sizes-see below

**Suggested Supplies- NOT REQUIRED- I suggest having something to store them in- a plastic container or art box is handy.**

1. Micron and Sharpie Pens of various sizes- I personally prefer Microns for consistent, waterproof, lines.
2. Here is our suggestion on brushes if you would like to purchase some (3) Watercolor / Acrylic brushes made with TAKLON (synthetic fiber that holds up). **Really get what you think are good sizes for you** 2 or 4 round, 8 or 10 round and 8 or 10 flat are good options.
3. **PRISMACOLOR** COLORED PENCILS, set of 12 (or more)
4. ERASER, Sharpeners, drawing pencils 4h, 2h, 2b, 6B
5. Prismacolor markers are amazing. Copic markers are even more amazing- PRICEY
6. Anything other supplies you like working with: watercolors, oil pastels, charcoal, felt, paper etc.
