Passion. Discipline. Work ethic. Commitment. Loyalty.

All of these characteristics are vital to play and coach professional football. The All Pro Dad spokesmen exemplify these virtues not only on the field, but even more importantly in their roles as fathers. These men realize the true victory in life is not on a scoreboard, but is measured by the love and honor of their children.

Dolphin Facts

Dolphins are altruistic animals. They are known to stay and help injured individuals, even helping them to the surface to breathe. Their compassion also extends across the species-barrier. There are many accounts of dolphins helping humans and even whales.
