

Intermediate Literacy & Math Center

1215 Northwood Road, Augusta, GA 30909
<https://www.rcboe.org/Domain/8214> T: 706-737-7266

Dear Parent,

Thank you for making the decision to enroll your child in the Intermediate Literacy and Math Center at National Hills! I am extremely honored to serve as your child's principal. ILMC will focus on improving reading and math skills for 4th - 6th grade students who have been performing at least two grade levels below in both areas. Our goal is to increase achievement to help students reach and perform academically on grade level.

Your child's academic success in the areas of reading and math is of the utmost importance. We look forward to a successful school year. The staff and I are very excited to take this journey with you!

Sincerely,

Kristina Jackson, Principal

School Information

School Hours 9:00am – 4:30pm/Operating Hours 8:30am – 4:30pm

Students can be dropped off in the morning between 8:30am-9:00am. Students arriving after 9:00am are considered tardy. All vehicles must drop off/pick up under the bus portico.

Afternoon announcements and dismissal begins at 4:00pm. No student will be released after 4:00pm.

Grades 3-5

- Help your child see how you use math in everyday life. For example, explore how you use fractions in cooking; percentages while [shopping](#); distance in driving; keeping score in sports games and [telling the time](#).
- Encourage your child to practice the times tables and to solve simple math problems in their head. Try asking them to:
 - work out how many pieces they will need to cut the birthday cake into so that everyone has a slice
 - work out the actual cost of discounted items (e.g. 25% off \$20)
 - figure out when you will arrive at a destination (e.g. "It is 4:15 pm now. It will take us 30 minutes to get home, what time will we arrive?")

If your child is struggling to work it out, suggest they show you on paper or talk you through how they are trying to work it out so you can help them.

- Math is a learned skill that improves with practice. Talk positively about math and encourage your child to practice as much as possible as part of a regular routine.

**BOYS & GIRLS
CLUB**

Boys and Girls Club of the CSRA

The new location off Broad Street behind the Kroc Center is now open! The cost is \$25 weekly per student/\$45 weekly for siblings. The costs include transportation to the Boys and Girls Club, dinner, field trips, a STEM lab, and daily homework help.

The program is structured with weekly rotations covering the following: Academic Success, Healthy Lifestyles, and Good Character & Leadership.

If interested, call the school for an application today☺

In the Community

September is Library Card Sign-up Month

This September, the six branches of the Augusta-Richmond County Public Library System (ARCPLS) are joining with the American Library Association and libraries nationwide for Library Card Sign-up Month, to make sure every student has a free library card. Visit or go online at arcpls.org.

National Hispanic Heritage Month is the period from September 15 to October 15 in the United States, when people recognize the contributions of Hispanic and Latino Americans to the group's heritage and culture.
