Dear Parent,

The month of November is moving quickly! Progress Reports will be sent home tomorrow. Please be sure to review your child's report and read all comments. ILMC wants to be on the same page about your child's academic progress.

Thanksgiving Break is November 20<sup>th</sup> – 24<sup>th</sup>. While students are home, please allow them access to the following links so they can practice their reading and math skills:

Reading	Math

The Cognitive Abilities Test (CogAT) is a group-administered assessment for 4<sup>th</sup> and 6<sup>th</sup> graders. The assessment measures your child's reasoning and problem solving skills through a battery of verbal, quantitative, and nonverbal test items. ILMC students will be administered the CogAT on Nov. 28 – Nov. 30.

Thank you for your support,  
Kristina Jackson
