

November 9, 2018

Dear Parents and Students,

- 4<sup>th</sup> grade students **must** do an individual science fair project.
- It is worth 4 quiz grades, and one test grade in Science.
- It is worth one test grade in Language Arts (formal report and presentation).
- Please do not wait until the last minute... start now!!!
- No extensions or exceptions... we are on county deadline.

Please initial each box below and sign at the bottom. Return the bottom portion of this paper by Monday November 13, 2017

<b>Science Fair Requirements</b>	<b>Student's initials</b>	<b>Parent's initials</b>
I have received a Science fair timeline sheet (green paper)		
I have received a Science Fair Information Packet (gold cover sheet)		
I understand that this project is REQUIRED		
I understand that this project counts for multiple grades in Science, and a grade in Language Arts		
I understand that points will be deducted for late turn ins, and the final, completed project is due February 5 <sup>th</sup> ... no exceptions.
