SUBJECT: Kitchen Small Wares RFQ #20-955

Four vendors submitted bids for Small Kitchen Equipment. The contract for this award will be effective April 1, 2020 thru March 31, 2021. Items will be purchased by each location on an as needed basis.

Terms outlined in the bid documents clearly state items will “F.O.B. to each school”. The bid documents state the following: **AWARD METHOD:** Vendors may submit bids on individual items however each lot will be awarded as one package. Package awards will be based on vendors bidding on all items within a lot and each item meeting specifications. The Richmond County School System reserves the right to award bids based on the lowest responsible and responsive bidder meeting specifications and the overall general value received.”

Citisco located in Duluth, Georgia and Pueblo Hotel Supply dba Grady’s Restaurant Equipment located in Pueblo, Colorado bid several items with individual prices however stated that could not break the case and we would be required to purchase the entire case even if not needed. Since each school places orders for items needed and cost is then charged to the individual school budget allocations; ordering in bulk would not be efficient for Richmond County School System. Administration has rejected these two bids since the items bid did not conform to the quantity requested.

ITEMS WILL BE PURCHASED ON AN AS NEEDED BASIS
